## *Label Sampler #7 - june 2008*

One full year has passed since we released our previous label sampler. During that time we were lucky enough to spend some great time with many of our friends, turning virtual relationships into real ones, and into stronger friendships. We have also made new friends and met new people we're dying to introduce to you.

This new compilation gather a large number of newcomers in the extended Dead Bees family. We are proud to bring to you THE QUARTER AFTER (Los Angeles, Ca.), THE ASTEROID NO 4 (Philadelphia, Pa.), ROOM 4 (Perpignan, France), HIGHWAY (Portland, Or.), SOLTERO (Philadelphia, Pa.), HAZELWOOD MOTEL (Portland, Or.), SABERTOOTH (Portland, Or.), SILVER ROCKETS (New York City, N.Y.). Most of these artists' records are or will be available from our mail-order.

This new compilation will be available as a free download - as usual - from our website and from other music platforms. A lossless audio version will be hosted on Archive.org. This music will be shared under the terms of the Creative Commons Music Sharing License. Visit [www.deadbees.com](http://www.deadbees.com) for latest release news, shopping, MP3s and feedback.

Love,

The Dead Bees team.
