#NINE *Dead Bees recs. Label Sampler #9*

Number Nine, Number Nine... we worked out a new label sampler.

We tried to bring a batch of newcomers into the Dead Bees family. New faces, new songwriters... this ninth compilation gathers a lot young blood, but also brings along some well established bands such as Anton's BJM.

We meant this music to be shared under the terms of a Creative Commons license. So please spread this record. Make copies of it, and give them away.

We will also post it onto various websites, file sharing portals, and non-profit free music sites, such as Archive.org or FreeMusicArchive.org.

Our new track providers include THE DALAI LAMA RAMA FA FA FA (Paris, Fr), THE LOVETONES (Sydney/Melbourne, Aus), SUNPLIT (Philadelphia, Pa) w/ Sam Barret from THE KOOLAID ELECTRIC CO. (London, UK), ALL IN THE GOLDEN AFTERNOON (Austin, Tx), HAZE PARADE (Oslo, Norway), COTTON CLUB (Paris, Fr), SKY PARADE (Los Angeles, Ca), E BECOMES 1 (Toulouse, Fr), SAVAGE (Toulouse, Fr), THE BLACK FEATHERS (Paris, Fr), SPINDRIFT (Portland, Or), and MOLOKO VELOCET (Roubaix/Tourcoing, Fr).

Most of these artists' records are or will be available from our mail-order. Visit www.deadbees.com for latest release news, shopping, MP3s and feedback.

Kill the record industry, save the music.
